

# **Knight & Palmer Charity**

Annual Report to the Parish Council  
7th May 2026

## **Trustees**

The Trustees for 25/26 remain unchanged. They are,

Mr G Chambers (chairman) \*

Mr M Timms \*

Mr J Edwards #

Mrs E Cunningham #

\* Parish Council appointed trustees                      # Co-opted trustees

## **Grant allocations for 2025**

The objectives of the Charity also remain unchanged. That is to provide financial assistance to young people of the Parish (under the age of 25) for further education and training and to provide some assistance to members of the Parish who can be identified as being in genuine hardship.

Seven applications were received in 2025 from young people of the Parish, following articles placed in the village newsletter in August and September. All met the criteria of eligibility and were awarded a grant of £1500 each in December.

Three parishioners were also given an increased financial gift in December, which is now targeted to the most deserving members of the community, with a known financial need.

## **Financial Performance and Income**

Net income for the year ending 5/4/2025 had increased to £17,967 compared with £14,999 in 2024. This increase along with a lower number of applications allowed grant levels to be increased. The value of the investments in the portfolio as at 30/06/2025 had also increased well.

Gary Chambers  
Chairman of Trustees
